

CALIFORNIA PREMIUM REFUND DISCLOSURE NOTICE

In accordance with CAL. INS. CODE § 481.(c), we are notifying you that in the event that the first Named Insured cancels the insurance policy, we shall retain 10% of the unearned premium. The premium refunded to you will therefore be calculated as 90% of the pro rata unearned premium. But if cancellation takes place during the first year of a multiyear prepaid policy, we will return 90% of the pro rata unearned premium for the first year and the full annual premium for the subsequent years.

If you have an Equipment Breakdown policy or your policy contains an Equipment Breakdown Coverage Part, then the following premium refund calculation applies instead of that provided in the preceding paragraph. For the Equipment Breakdown policy premium or for the premium attributable to the Equipment Breakdown Coverage Part, we shall retain 25% of the unearned premium. The premium refunded to you will therefore be calculated as 75% of the pro rata unearned premium. But if cancellation takes place during the first year of a multiyear prepaid policy, we will return 75% of the pro rata unearned premium for the first year and the full annual premium for the subsequent years.

However, the penalties set forth in the preceding paragraphs will not apply under the following circumstances, even if the first Named Insured cancels the policy:

1. The Insured(s) no longer has a financial or insurable interest in the property or business operation that is the subject of insurance;
2. Cancellation takes place after the first year for a prepaid policy written for a term of more than one year; or
3. The policy is rewritten in the same insuring company or company group.

The PMA Privacy Policy

Insurance companies routinely obtain a variety of information provided by customers, agents and brokers, various claimants, medical providers, and other third parties. It is the policy of the PMA Insurance Group of companies to maintain an appropriate level of confidentiality for all the information we collect by restricting access to that information. We also maintain appropriate physical, electronic, and procedural safeguards to protect such information from unauthorized access.

The business of insurance requires information. Insurance companies cannot effectively provide insurance services unless they are given access to and are able to process different kinds of information. For example, underwriters cannot evaluate individual risks without information regarding the individual insured's loss experience, safety practices and so forth; and claims cannot be administered without information regarding the nature and extent of the damage incurred, including relevant medical information.

Much of the information we obtain is public and not of a personal or sensitive nature. We believe that those who entrust us with nonpublic personal information do so with the reasonable expectation that we will use the information only for the limited purpose for which we obtain it; i.e. for insurance related purposes. We are concerned about protecting the privacy of our customers and the other individuals with whom we interact, and have taken steps to protect the confidentiality of the nonpublic personal information that we obtain.

Types and sources of information. PMA accumulates information from many sources.

- o Customers provide us with information we need as part of the insurance application or evaluation process. We may also request reports from various sources in connection with applications for insurance and/or any renewal of such insurance. The kind of information we collect depends upon the type of policy, but may include such things as automobile motor vehicle reports, loss and claim reports, risk management reports, financial rating reports and property inspections, and other information. We also may receive and verify information from government agencies or independent reporting companies to help us correctly rate and properly underwrite a particular insurance risk.
- o We maintain detailed claim files which contain information about the claim and the claimant, including accident reports, wage information, medical reports bearing on the claim, and evidence relating to the validity or eligibility of the claim. We obtain such information from claimants, their employers, their medical providers, and other generally reliable sources. We cannot administer claims or pay benefits without appropriate access to such information.

Much of the information we obtain is generally accessible or otherwise not nonpublic personal information, and PMA cannot be responsible for preserving the privacy of such information.

Medical information PMA obtains personally identifiable medical information only in connection with underwriting specific insurance policies or administering claims under those policies. We will not use or share with third parties personally identifiable medical information for any purpose other than the underwriting or administration of a policy, claim, account or program, or as otherwise disclosed to the subject when the information is collected, except as may be permitted by applicable law.

Our use of customer information PMA's policy is to limit access to nonpublic personal information to those who need it in order to serve our own and our customers' insurance business needs, to administer claims and to maintain and improve customer service. We do not disclose nonpublic

personal information to third parties except as necessary to conduct business, e.g., processing claims or as permitted or required by law. In particular, we do not buy or sell nonpublic personal information, although we may acquire or transfer such information in connection with the acquisition or sale of companies or books of business.

Records retention PMA retains the information it has collected for various periods established by the records retention policies of the Company.

Who has access to the information Except as permitted or required by law, we will not disclose nonpublic personal information about a person without that person's consent. We may, without prior permission but only to the extent permitted by law, provide information contained in our records and files to certain persons or organizations which are fundamental to the insurance services we provide, such as:

- o Our customers, and their independent agents or brokers;
- o Our affiliated property and casualty insurance companies;
- o Independent claim adjusters, medical examiners, vocational counselors, attorneys or investigators, when appropriate;
- o Companies that provide insurance related services to or on behalf of PMA, such as claim administration, medical review or treatment, and pharmacy network services;
- o Persons or organizations that conduct research for or on behalf of the insurance industry, including actuarial or underwriting studies;
- o Insurance support or rating organizations or, at our customers' request, other insurers; and
- o To appropriate entities as necessary to prevent fraud or to properly underwrite a risk.

Also, on some occasions, we may be required to share this information:

- o With state insurance departments or other governmental agencies, to the extent required by federal, state or local laws;
- o If ordered by a summons, court order, search warrant or subpoena; or
- o To protect our own legal interests, or in a case of suspected fraud or other illegal activities.

EXCLUSION OF TERRORISM

This endorsement modifies insurance provided under the following:

COMMERCIAL CRIME POLICY
EMPLOYEE THEFT AND FORGERY POLICY
GOVERNMENT CRIME POLICY
GOVERNMENT EMPLOYEE THEFT AND FORGERY POLICY

- A.** The following definition is added and applies under this endorsement wherever the term terrorism is enclosed in quotation marks.

"Terrorism" means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:
 - a. Use or threat of force or violence; or
 - b. Commission or threat of a dangerous act; or
 - c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information or mechanical system; and
2. When one or both of the following apply:
 - a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

- B.** The following exclusion is added:

Exclusion Of Terrorism

We will not pay for loss or damage caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

5. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item **B.5.**, the immediately preceding paragraph describes the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Policy.

C. Application Of Other Exclusions

1. When the Exclusion Of Terrorism applies in accordance with the terms of Paragraph **B.1.** or **B.2.**, such exclusion applies without regard to the Nuclear Hazard Exclusion in this Policy.
2. The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss or damage which would otherwise be excluded under this Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.
